KOLON Hose Reel Box

Introduction

The KOLON Hose Reel Box is a high-quality product designed to make water reel storage easy and convenient. It is perfect for use in various settings such as homes, gardens, parks, and commercial spaces. Made by KOLON in Shanghai, China, this hose storage box is built to withstand the toughest weather conditions and provide long-lasting performance.

Product Features

Brand Name: KOLON

Model Number: Hose Reel Box

Place of Origin: Shanghai, China
Packing: Wooden Box
Washing System: Water Spraying Machine
Weather Resistant: Yes
Locking Mechanism: Key Lock
Washing Speed: 2-3 Minutes
Application and Usage

The KOLON Hose Reel Box is perfect for storing your water hose in a safe and organized manner. It can be used in various settings such as homes, gardens, parks, and commercial spaces. It is also suitable for use in car wash stations, RV parks, and marinas. The hose reel cabinet is designed to protect your water hose from harsh weather conditions, such as extreme heat, cold, and rain. It is also equipped with a locking mechanism to keep your hose secure and prevent theft. The washing system of the hose reel box is a water spraying machine that ensures a thorough and efficient cleaning of your hose. It can wash your hose in just 2-3 minutes, saving you time and effort.

How to Use

Using the KOLON Hose Reel Box is simple and hassle-free. Follow these steps to store and clean your water hose:

Open the wooden box packaging and take out the hose reel box.

Place the hose reel box in a suitable location, preferably near a water source.

Unlock the hose reel box using the key lock.

Take out your water hose and attach it to the water spraying machine.

Turn on the water supply and start the washing system.

After 2-3 minutes, turn off the water supply and wait for the hose to dry.

Once dry, roll the hose back into the reel and lock the hose reel box.

Your water hose is now safely stored and ready for use.

Conclusion

The KOLON Hose Reel Box is a must-have product for anyone looking to store their water hose in a safe and convenient way. Its weather-resistant design, locking mechanism, and efficient washing system make it a top choice for both residential and commercial use. Get your own KOLON Hose Reel Box today and experience hassle-free water reel storage!

Packing and Shipping:

Hose Reel Box - Packaging and Shipping

Our Hose Reel Box is carefully packaged to ensure safe and secure delivery to your doorstep. Here's what you can expect when you receive your order:

Packaging:

The Hose Reel Box is first wrapped in a layer of protective bubble wrap.

It is then placed in a sturdy cardboard box to prevent any damage during transit.

The box is sealed with high-quality tape, ensuring that the contents remain secure.

A label with your shipping address and order details is placed on the box for easy identification.

Shipping:

We offer worldwide shipping for our Hose Reel Box. We work with reliable and trusted shipping partners to ensure timely delivery of your

order. The estimated delivery time will be provided at checkout based on your location.

For domestic orders, we offer standard and express shipping options. Standard shipping typically takes 3-5 business days, while express shipping takes 1-2 business days.

For international orders, shipping times may vary depending on the destination and customs clearance processes.

Once your order has been shipped, you will receive a confirmation email with tracking information so you can track your package's journey to you.

With our careful packaging and efficient shipping, you can rest assured that your Hose Reel Box will arrive in perfect condition. Thank you for choosing our product!
