## Product Description

### Product Description:

#### Hose Reel Box

The Hose Reel Box is a convenient, efficient, and versatile product that is designed to make car washing and cleaning a breeze. With a washing speed of 2-3 minutes, it is perfect for busy individuals who want to save time and effort while maintaining the cleanliness of their vehicles.

#### Washing Speed

The Hose Reel Box is equipped with a powerful water spraying machine that can quickly and effectively clean your car in just 2-3 minutes. This allows you to spend less time washing your car and more time enjoying it.

#### Washing System

The Hose Reel Box uses a water spraying machine as its main washing system. This system ensures that every nook and cranny of your car is thoroughly cleaned, leaving no dirt or grime behind.

#### Mounting Type

The Hose Reel Box is designed to be wall-mounted, allowing you to save space and keep your garage or driveway clutter-free. This also makes it easy to access and store when not in use.

#### Hose Included

The Hose Reel Box comes with a high pressure water hose, air hose, and electricity hose, making it a complete all-in-one solution for your car washing needs. It also includes a single foam gun and a dual foam gun, giving you the option to use different types of foam for different cleaning purposes. Additionally, the box also includes a faucet water hose and a water wax hose, providing you with a variety of options for your car washing routine.

#### Oem Support

The Hose Reel Box is designed to support Original Equipment Manufacturer (OEM) customization, allowing you to add your own branding and personal touch to the product. This makes it a great promotional tool for car wash businesses or for personal use.

#### Hose Storage Box

The Hose Reel Box not only provides an efficient and effective way to wash your car, but it also serves as a hose storage box. You can neatly store all the hoses and attachments inside the box, ensuring that everything is organized and easily accessible whenever you need it.

Don't waste your time and energy on traditional car washing methods. Upgrade to the Hose Reel Box and experience a faster, more convenient, and more thorough way of cleaning your car. Order now and see the difference for yourself!

Choose KOLON for all your Hose Reel Box needs. Contact us today to get started on customizing your Hose Reel Box and enjoy a clutter-free and organized space with ease.

### Packing and Shipping:

Packaging and Shipping for Hose Reel Box

Our Hose Reel Box is carefully packaged to ensure safe and secure delivery to our valued customers. Each unit is packed in a sturdy cardboard box with ample padding to protect it during transit.

The dimensions of the box are 20 inches in length, 12 inches in width, and 10 inches in height. The weight of the box, including the product, is approximately 15 pounds.

For larger orders, multiple units will be packed in a single box to minimize the number of packages and reduce shipping costs.

Our shipping partner is selected based on the destination and delivery time requested by our customers. We work with reputable carriers to ensure timely and reliable delivery of our products.

Once your order is shipped, you will receive a tracking number via email, which can be used to track your package's journey to your doorstep.

We take great care in packaging and shipping our Hose Reel Box to ensure it arrives in perfect condition. In the rare case that your product arrives damaged, please contact our customer service team immediately for assistance.

Thank you for choosing our Hose Reel Box. We hope it provides you with many years of reliable and convenient use.
