Product Description

Product Description:

Hose Reel Box

The Hose Reel Box is a wall-mounted cabinet designed for efficient and convenient washing of various vehicles and equipment. With a working voltage of 220V, it is suitable for use in most household and commercial settings.

Mounting Type: Wall-mounted

The Hose Reel Box is designed to be mounted on a wall, providing a space-saving solution for storing and using the included hoses.

Working Voltage: 220V

The Hose Reel Box operates on a standard 220V voltage, making it compatible with most household and commercial power outlets.

Hose Included:

High Pressure Water

Air

Electricity

Single Foam Gun

Dual Foam Gun

Faucet Water

Water Wax

The Hose Reel Box comes with a variety of hoses, providing a versatile cleaning solution for different types of vehicles and equipment.

The high pressure water hose is perfect for removing tough dirt and grime, while the air hose can be used for drying and blowing away debris. The electricity hose allows for the use of electric-powered tools, while the foam gun hoses are ideal for applying foam-based cleaning solutions. The faucet water hose and water wax hose provide additional options for washing and waxing.

Washing Speed: 2-3 Minutes

The Hose Reel Box is designed for fast and efficient washing, with a washing speed of 2-3 minutes. This makes it ideal for use in busy commercial settings where time is of the essence.

Size: 20 Inches

The Hose Reel Box has a compact size of 20 inches, making it suitable for use in small spaces. Its space-saving design also allows for easy storage when not in use.

Key Features:

Wall-mounted for space-saving storage

Operates on 220V voltage

Comes with a variety of hoses for versatile cleaning

Fast washing speed of 2-3 minutes

Compact size of 20 inches

The Hose Reel Box is the perfect solution for efficient and convenient washing of vehicles and equipment. Its wall-mounted design, versatile hoses, and fast washing speed make it a must-have for any household or commercial setting. Get yours today!

Introducing the KOLON Hose Reel Box - the perfect solution for Water Reel Storage. Our Hose Reel Box is designed to provide easy and convenient storage for your hoses, while also offering multiple functions to meet your various needs.

Our Hose Reel Box is made with durable materials to ensure long-lasting use and is easy to install for your convenience. With a capacity

of 100 feet, it can accommodate a variety of hose lengths. Its working voltage of 220V makes it suitable for use in different locations. But what sets our Hose Reel Box apart is its customized service. You can choose from a variety of hose options, including High Pressure Water, Air, Electricity, Single Foam Gun, Dual Foam Gun, Faucet Water, and Water Wax. This allows you to customize your hose reel box to suit your specific needs.

In addition to its functionality, our Hose Reel Box also boasts an environmentally friendly feature, making it a sustainable choice for your home or business. With an output power of 1000-1500W, it provides efficient and powerful performance.

Choose the KOLON Hose Reel Box for a reliable and customizable solution for your hose storage needs. Contact us now for more information and to place your order.

Packing and Shipping:

Hose Reel Box Packaging and Shipping

The Hose Reel Box is carefully packaged to ensure its safe arrival to your doorstep. Our packaging process follows the highest standards to protect the product during shipping and handling. Here are the details of our packaging and shipping:

Packaging

The Hose Reel Box is first wrapped in a layer of protective bubble wrap.

It is then placed in a cardboard box with additional padding for added protection.

The box is sealed with high-quality tape to prevent any damage or tampering.

Finally, the box is labeled with the product name and shipping information.

Shipping

We offer both domestic and international shipping options for the Hose Reel Box. Our shipping methods include:

Standard ground shipping, which takes 3-5 business days for domestic orders and 7-14 business days for international orders.

Expedited shipping, which takes 1-3 business days for domestic orders and 3-5 business days for international orders.

International economy shipping, which takes 10-20 business days for international orders.

Once your order has been shipped, you will receive a confirmation email with tracking information. We take great care in ensuring that your package arrives safely and on time.

Thank you for choosing our Hose Reel Box. We hope it meets your expectations and makes your gardening experience more convenient.

If you have any questions or concerns about the packaging or shipping process, please don't hesitate to contact us.
