Product Description

Product Description:

Hose Reel Box - The Ultimate Solution for Your Garden Hose Storage Needs

If you're tired of constantly tripping over your garden hose or struggling to untangle it every time you need to water your plants, then the Hose Reel Box is the perfect solution for you. This innovative product is designed to make your gardening experience more convenient and hassle-free, allowing you to focus on what truly matters - your beautiful garden.

Mounting Type: Wall-mounted

The Hose Reel Box is designed to be mounted on your wall, making it easy to access and freeing up valuable space in your garden. With its compact and sturdy design, it can be easily installed on any wall surface, whether it's brick, wood, or concrete.

Washing System: Water Spraying Machine

No need to carry heavy watering cans or deal with tangled hoses anymore. The Hose Reel Box comes equipped with a built-in water spraying machine, allowing you to effortlessly water your plants with just the turn of a handle. Say goodbye to hand fatigue and hello to a more efficient and enjoyable gardening experience.

Capacity: 100 Feet

With a capacity of 100 feet, the Hose Reel Box can accommodate most standard garden hoses. It's perfect for small to medium-sized gardens, giving you enough length to reach every corner without any hassle.

Weather Resistant

The Hose Reel Box is built to withstand all weather conditions. Its durable construction and weather-resistant materials ensure that it can withstand rain, snow, and even intense heat, making it a reliable and long-lasting addition to your garden.

Output Power: 1000-1500W

The built-in water spraying machine is powered by a high-output motor with a range of 1000-1500W, providing enough pressure to water your garden efficiently. Say goodbye to weak water streams and hello to a powerful and consistent flow of water.

Get Your Hose Storage Box Today!

Don't let a messy and tangled hose ruin your gardening experience. Get your Hose Reel Box today and enjoy a more organized and hassle-free way of watering your garden. With its compact design, convenient features, and durable construction, it's the perfect solution for all your garden hose storage needs.

Hose Reel Box - KOLON

Retractable Hose Storage for Efficient Garden Organization

The Hose Reel Box by KOLON is a must-have for any garden or outdoor space. This innovative product provides a convenient and space-saving solution for storing and using your garden hose. It is designed to keep your hose neatly organized and easily accessible, making your gardening and outdoor maintenance tasks more efficient.

Durable and Convenient Design

Made with high-quality materials, the Hose Reel Box is built to last. The wooden box packaging ensures safe transportation and storage of the product. The box can also be used as a storage unit for your gardening tools and accessories. The hose reel itself is made of sturdy plastic and can withstand high pressure, making it suitable for various outdoor cleaning and watering tasks.

Adjustable and Easy to Install

The Hose Reel Box is designed for easy installation and use. It can be mounted on any wall, saving you valuable floor space. The hose reel can be adjusted to your desired height, providing comfortable and convenient access to the hose. With its simple and user-friendly design, you can easily install and use the Hose Reel Box without any hassle.

Multi-functional and Versatile

Not only does the Hose Reel Box keep your garden hose organized, but it also has multiple uses. The adjustable hose reel allows you to use it for various outdoor cleaning tasks, such as washing your car or patio furniture. It can also be used for watering your plants and garden, making it a versatile and essential tool for any outdoor space.

Perfect for Outdoor Cleaning and Gardening

The Hose Reel Box is the perfect addition to your outdoor cleaning and gardening routine. It provides a practical and efficient way to store and use your garden hose, making your tasks easier and more enjoyable. With its customizable features and durable design, the Hose Reel Box is a must-have for any outdoor space.

Customized Logo and High Power Output

The Hose Reel Box by KOLON comes with a customized logo, making it a unique and personalized product. It also has a high power output of 1000-1500W, ensuring a strong and consistent water flow for your outdoor cleaning and watering needs.

Experience the Convenience of KOLON's Hose Reel Box

Upgrade your outdoor cleaning and gardening experience with KOLON's Hose Reel Box. Say goodbye to tangled and messy garden hoses and hello to a neatly organized and efficient outdoor space. Order now and enjoy the convenience and durability of the Hose Reel Box by KOLON.

KOLON Hose Reel Box Customization Service

Thank you for choosing KOLON as your provider of high-quality water reel storage solutions. Our Hose Reel Box is designed to meet your specific needs and requirements, and we are proud to offer a comprehensive customization service to ensure that you get the perfect product for your home or business.

Brand Name: KOLON

Our brand, KOLON, is synonymous with reliability, durability, and superior quality. With years of experience in the industry, we have become a trusted name in providing top-notch water reel storage solutions.

Model Number: Hose Reel Box

The Hose Reel Box is our flagship product, carefully designed and engineered to provide a convenient and efficient way to store your water hose. It is the perfect solution for keeping your garden or outdoor space organized and clutter-free.

Place of Origin: Shanghai, China

All our products, including the Hose Reel Box, are proudly manufactured in Shanghai, China. We take great pride in our state-of-the-art production facilities and our skilled team of professionals who ensure the highest quality standards are met.

Feature: Environmental Friendly

At KOLON, we are committed to protecting the environment and reducing our carbon footprint. The Hose Reel Box is made from eco-friendly materials and is designed to be long-lasting, reducing the need for replacements and minimizing waste.

Locking Mechanism: Key Lock

Your security is our top priority, which is why our Hose Reel Box comes with a key lock mechanism. This ensures that your water hose is safely stored and protected from theft or damage.

Weather Resistant: Yes

Our Hose Reel Box is designed to withstand various weather conditions, making it suitable for both indoor and outdoor use. Whether it's rain, snow, or extreme heat, our product will remain in top condition, ensuring long-lasting use.

Capacity: 100 Feet

The Hose Reel Box has a large capacity, capable of storing up to 100 feet of water hose. This means you'll have enough space to store your hose conveniently, without any hassle.

Assembly Required: Yes

Some assembly is required for the Hose Reel Box, but don't worry, it's easy and straightforward. We provide clear instructions and all the necessary tools for a hassle-free assembly process.

Thank you for considering KOLON for your water reel storage needs. We are confident that our customized Hose Reel Box will exceed your expectations and provide you with a reliable and efficient solution for your water hose storage. Contact us today to learn more about our customization service and to place your order.

Packing and Shipping:

Package and Shipping for Hose Reel Box

The Hose Reel Box will be carefully packaged and shipped to ensure its safe arrival at your doorstep. Here's what you can expect:
Packaging:

The Hose Reel Box will be packaged in a sturdy, corrugated cardboard box.

The box will be securely taped and sealed to prevent any damage during transit.

Inside the box, the Hose Reel Box will be wrapped in protective bubble wrap to prevent scratches or dents.

Additional padding such as foam or packing peanuts may be included to provide extra protection.

Shipping:

Our standard shipping method is through trusted and reliable carriers such as UPS, FedEx, or DHL.

The estimated delivery time will be provided at the time of purchase and may vary depending on your location.

We offer international shipping to select countries, please contact us for more information.

If you require expedited shipping, please contact us for options and pricing.

Once your order has been shipped, you will receive a tracking number via email so you can track your package's journey to your doorstep. Please note that we are not responsible for any delays or damages caused by the shipping carrier. If you have any questions or concerns about your shipment, please don't hesitate to contact us.

Thank you for choosing the Hose Reel Box. We hope you enjoy your purchase!
