Product Description

Product Description:

Product Overview

The Hose Reel Box is the perfect solution for storing and organizing your garden hose. With its retractable hose storage system, you can easily access and use your hose without any tangles or mess. The box is wall-mounted, making it space-saving and convenient to use. Washing your car or watering your plants has never been easier with the Hose Reel Box. Its washing speed of 2-3 minutes allows you to quickly and efficiently complete your tasks without any hassle. The box can hold up to 100 feet of hose, providing ample length for any outdoor use.

One of the key features of the Hose Reel Box is its environmental friendliness. Made from durable and long-lasting materials, the box is designed to reduce waste and promote sustainable living. It is also designed to prevent leaks and spills, ensuring that your outdoor area remains clean and tidy.

With its customizable logo, the Hose Reel Box can be personalized to fit your brand or style. This makes it a great addition to any home, garden, or business. Its sleek and modern design will also enhance the overall appearance of your outdoor space.

Invest in the Hose Reel Box today and experience the convenience and functionality of a retractable hose storage system. Say goodbye to tangled hoses and hello to a neat and organized outdoor area!

Hose Reel Box - KOLON

Welcome to the world of organized gardening with Hose Reel Box, a revolutionary product designed by KOLON. Our retractable hose storage box provides an efficient and convenient solution for storing your garden hose, making gardening a hassle-free experience for you.

Brand Name: KOLON

KOLON is a leading company in the field of gardening and outdoor equipment, dedicated to providing high-quality, innovative and environmentally friendly products to our customers. Hose Reel Box is one of our latest products, designed to make your gardening experience easier and more enjoyable.

Model Number: Hose Reel Box

Our Hose Reel Box is a one-of-a-kind product, designed to meet all your gardening needs. Its sturdy and durable design ensures that it can accommodate any standard size garden hose, providing a secure and organized storage solution.

Place of Origin: Shanghai, China

Hose Reel Box is proudly designed and manufactured in Shanghai, China. We take pride in our products and ensure that they are made with the highest quality materials and under strict quality control measures.

Working Voltage: 220V

Designed with the latest technology, Hose Reel Box operates on a working voltage of 220V, providing a powerful and efficient performance. Say goodbye to manual winding of your garden hose and switch to our electric Hose Reel Box for a hassle-free experience.

Feature: Environmental Friendly

KOLON is committed to protecting the environment and our Hose Reel Box is a testament to that. Made from eco-friendly materials, it is not only durable and long-lasting but also reduces your carbon footprint. Say yes to organized gardening and a greener planet with Hose Reel Box.

Oem: Support

KOLON values customer satisfaction above all else. We understand that each customer has unique needs and we offer OEM (Original Equipment Manufacturer) support to fulfill their requirements. With our OEM service, you can customize your Hose Reel Box to meet your specific needs.

Locking Mechanism: Key Lock

Security is of utmost importance to us and our Hose Reel Box is designed with a key lock mechanism to ensure the safety of your garden hose. You can now store your hose without any worries of theft or damage.

Output Power: 1000-1500W

With a powerful output power of 1000-1500W, our Hose Reel Box provides a smooth, effortless and quick winding of your garden hose. No more tangles and knots, just a seamless gardening experience.

Welcome to KOLON's customization service for our Hose Reel Box. Our Hose Reel Box is designed to provide convenient and organized storage for hoses, ensuring that they are always ready for use. With our customization service, you can make your Hose Reel Box unique and tailored to your specific needs.

Hose Storage Box

Our Hose Reel Box is an ideal solution for storing hoses of various sizes. With our customization service, you can choose the size and dimensions of your Hose Reel Box to fit your specific hose storage needs.

Hose Reel Cabinet

The Hose Reel Box can also be customized to function as a cabinet for other gardening tools and equipment. With shelves and compartments, you can store all your gardening essentials in one place.

Customized Logo

Make your Hose Reel Box stand out by adding your own logo. Our customization service allows you to add your company logo or any other design of your choice to the Hose Reel Box, making it a unique and personalized product.

Output Power

Our Hose Reel Box comes with a powerful output of 1000-1500W, ensuring efficient and effective operation. However, with our customization service, you can choose the output power that best suits your needs.

Packing Options

To ensure safe delivery of your customized Hose Reel Box, we offer wooden box packaging. This sturdy packaging option provides extra protection for your product during transportation.

Environmental Friendly

At KOLON, we are committed to sustainability and reducing our carbon footprint. Our Hose Reel Box is designed with environmental friendliness in mind, and our customization service allows you to further personalize it with eco-friendly materials and features.

Washing System

With our customization service, you can add a water spraying machine to your Hose Reel Box, making it a complete solution for garden hose storage and maintenance. This washing system ensures your hoses stay clean and ready for use at all times.

Trust KOLON for all your gardening needs and take advantage of our customization service to make your Hose Reel Box truly one-of-a-kind. Contact us today to start customizing your Hose Reel Box.

Packing and Shipping:

Packaging and Shipping

The Hose Reel Box is carefully packaged to ensure safe delivery to our customers. Each box is wrapped in protective materials and securely sealed to prevent any damage during shipping.

For domestic orders, we use a trusted courier service to deliver the Hose Reel Box directly to your doorstep. International orders are

shipped via air freight and may take longer to arrive.

Our team takes great care in preparing each order for shipment. We conduct thorough quality checks to ensure that every Hose Reel Box meets our high standards before it is sent out.

If you have any special shipping requests, please let us know and we will do our best to accommodate your needs.
