- Model Number: KL-9SF

Product Specification

- Washing Time: 3-6mins/car
- Shampoo Consumption: 7ml/Car
- Conveyor: Flat Belt Conveyors
- Water Wax Consumption: 12ml/Car
- Warranty: 1 Year
- Whatsapp: +8617765180874
- Water Supply: DN25mm/Waterflow Rate≥80L/min
- Power Consumption: 0.7 Kwh/car
- Highlight: Tunnel Car Wash Equipment,
Customizable Tunnel Car Wash Equipment

Product Description

Product Description:

With a power consumption of only 0.7 Kwh per car, our Car Wash Tunnel Systems are energy efficient and environmentally friendly. Additionally, our shampoo consumption rate is only 7ml per car, making it a cost-effective solution for car owners. Our Automatic Car Wash Machine requires a power supply of 380 V, 50 HZ, 3 Phases to operate at its maximum potential. This ensures a powerful and efficient cleaning process that will leave your car looking spotless. In addition to our exceptional cleaning capabilities, our Car Wash Tunnel Systems also offer a water wax consumption rate of only 12ml per car. This ensures a sleek and shiny finish that will make your car stand out on the road. Our Automatic Car Wash Machine is designed for maximum water supply efficiency, with a DN25mm water supply and a water flow rate of at least 80L/min. This allows for a quick and effective cleaning process that will save you time and money. Invest in our Car Wash Tunnel Systems today and experience the benefits of a top-of-the-line Automatic Car Wash Machine. Say goodbye to traditional car washing methods and hello to a more efficient and effective way of cleaning your vehicle. Try our Car Jet Washer today!

Product Name: Tunnel Car Wash Machine
Power Requirement: 380 V, 50 HZ, 3 Phases
Power Supply: 380 V, 50 HZ, 3 Phases
Washing Time: 3-6mins/car
Contact via Whatsapp: +8617765180874
Water Supply: DN25mm/Waterflow Rate≥80L/min
Features: Car Wash Cleaner, Car Wash, Express Car Wash Tunnel

Technical Parameters:

Power Requirement	380 V, 50 HZ, 3 Phases
Water Supply	DN25mm/Waterflow Rate≥80L/min
Washing Car Size	No Limitation*2300*2100MM (L*W*H)
Washing Time	3-6mins/car
Conveyor	Flat Belt Conveyors
Water Wax Consumption	12ml/Car
Machine Size	12500*4000*3000MM
Water Consumption	80L Per Car
Warranty	1 Year
Power Consumption	0.7 Kwh/car

Applications:

The KOLON KL-9SF is an automatic car wash machine that uses a jet washer to clean cars. The machine requires a power supply of 380V, 50HZ, and 3 phases to function. Its dimensions are 12500*4000*3000MM, making it large enough to accommodate a wide range of car sizes. The machine is designed to be easy to use, with an intuitive interface that allows users to select the wash program they want. The KOLON KL-9SF uses a shampoo consumption of 7ml/Car, which makes it a cost-effective solution for car cleaning. It can be used in a wide range of scenarios, including car dealerships, parking lots, automotive repair shops, and even personal use. The machine is designed to be used with minimal supervision, making it ideal for businesses that want to offer car cleaning services without having to hire additional staff. The KOLON KL-9SF is a versatile machine that can be used in a wide range of applications. It is suitable for use in both urban and rural areas, and its automatic features make it ideal for busy car wash businesses. Whether you are looking to start a car wash business or need a machine for personal use, the KOLON KL-9SF is a reliable and cost-effective solution.

Customization:

Customize your KOLON KL-9SF Tunnel Car Wash Machine according to your specific needs and preferences. Our product customization services allow you to tailor the bus wash machine to suit your requirements. Our Express Car Wash Tunnel is made in Shanghai, China, and comes with a 1-year warranty for your peace of mind. With a power consumption of 0.7 Kwh/car, the KOLON KL-9SF Tunnel Car Wash Machine is an eco-friendly solution. The washing time of 3-6mins/car ensures that your customers can be served quickly and efficiently. The Flat Belt Conveyors ensure that the car wash tunnel systems operate smoothly and without interruptions. Our KOLON KL-9SF Tunnel Car Wash Machine has a machine size of 12500*4000*3000MM, which can be adjusted to your specific requirements. Contact us today to discuss your product customization needs.
