Disinfection and sterilization	Yes	Double wishbone	Galvanized Pipe Double Swing Arm
Payment activation method	WeChat, Alipay, card payment, free mode	System Management	Centralized account management for multiple machines

All-in-One Functionality

Equipped with clean water, foam, hand washing, and vacuuming functions, the ZL-05KL also features a **7-inch touchscreen** with physical control buttons for easy operation. Voice navigation and a work light switch further enhance user convenience.

Powerful Performance

Powered by a **3.0KW high-voltage pure copper motor** and a **2000W vacuum cleaner**, the machine delivers a water output of **13–15L/min** with an outlet pressure of **120–180KG**, ensuring effective cleaning within an **8–13M range**. The high-pressure water gun is made of pure copper for reliability and longevity.

Efficient and Cost-Effective

The foam solution tank supports **400–500 washes per refill**, and the machine consumes only **0.22–0.3 kWh per car**, making it both economical and environmentally friendly. It operates on a standard **220V power supply** with a **4-square-mm copper wire** connection and a 4-point tap water inlet.

Durable Construction

Built with **1.5mm galvanized sheet** coated with anti-rust spray paint, the machine is designed to withstand harsh conditions. It features a **blue front and white back** color scheme, with customizable LOGO options available.

Smart Management & Payment

The intelligent fully networked motherboard supports centralized account management for multiple machines. Payment is flexible, accepting **WeChat, Alipay, card payments**, and a free mode option.

Additional Features

- **Disinfection and sterilization** function for enhanced hygiene
- **60L+60L** foam and water tank capacity
- **12-meter high-pressure steel wire hose** with a galvanized pipe double swing arm for extended reach
- **Automatic foam mixing** with stock solution dispenser

The ZL-05KL is the ideal solution for operators seeking a reliable, high-efficiency, and user-friendly self-service car wash system.

Support and Services:

Our Vacuum Cleaner product comes with comprehensive technical support and services to ensure that you get the most out of your purchase. Our knowledgeable customer service team is available to answer any questions you may have about the product, including troubleshooting and maintenance tips. Additionally, we offer repair and replacement services for any defects or malfunctions that may occur. We also provide regular maintenance services to keep your vacuum cleaner in top condition and extend its lifespan. Trust us to provide you with the best product support and services possible.

Packing and Shipping:

Product Packaging:

- 1 Vacuum Cleaner
- 1 Extension Wand
- 1 Crevice Tool
- 1 Dusting Brush
- 1 Upholstery Tool
- 1 User Manual

Shipping:

- Ships within 24 hours
- Free Shipping
- Delivery time: 3-5 business days
